Case Type: Assault 4th Degree

On 07/18/16 at approximately 2003 hours, I was dispatched to 12844 Military Road South (Cascade Behavioral Health) for a recent assault. Dispatch advised there were two subjects fighting. On subject was bleeding from his nose. Both males were now separated.

Upon arrival Officer BAIRD, Tukwila Fire Department, and I were escorted up to the second floor where we were greeted by the nurses. I asked what happened and she said the victim later identified as [REDACTED] was in her room. [REDACTED] is a male but is in transition to becoming a female. We entered [REDACTED]'S room and she was sitting on her bed crying. [REDACTED]'S left eye was red and almost swollen shut. There was a cut right above her left eye approximately 1-2 inches in length. [REDACTED] was crying, shaking, and distraught. Tukwila Fire provided aid for her.

The nurse advised me that the other subject was in a separate room. He was identified as [REDACTED] and he appeared to be agitated. There were three or four male and female nurses in his room. I noticed blood on his right hand. [REDACTED] did not have any visible injuries to his face or any other body part. The nurse tried to administer [REDACTED] with a shot but he refused. [REDACTED] fist were clenched and he was becoming angry. I placed him in handcuffs (checked fit and double locked) for safety reasons. I told him that he was only being detained.

Officer BAIRD spoke to a nurse ([REDACTED]) and told him what happened. [REDACTED] witness the assault. See BAIRD'S follow-up for details. Based on what BAIRD told me, I determined that [REDACTED] was in violation of assault.

[REDACTED] did not want to provide me with a written or recorded statement. [REDACTED] was upset and she had trouble on focusing on what I was asking. I asked her to tell me what happened and she recounted the following.

- [REDACTED] was in the hall way when [REDACTED] got in her face. [REDACTED] punched [REDACTED] in the face multiple times with a clenched fist.
- [REDACTED] appeared to be disoriented and said she couldn't breathe. I ended the conversation at this point and she was transported to the hospital for further treatment.

I told [REDACTED] that he was under arrest. I read him his Miranda Rights from my issued Miranda Card. [REDACTED] said he didn't want to talk, so I stopped talking to him. I escorted him downstairs to my patrol vehicle with no issues.

I transported [REDACTED] to Score Jail for booking.
